

# Boy Scouts "Flags Across America" Program

Cross Creek Ranch flag territories – Being updated February 2019

## About the Flags Across America Program

Dear Cross Creek Ranch resident,  
Thanks to Scouts from several local Troops, U.S. flags are placed in the yards of residents participating in the **Flags Across America Program** on select national holidays.

This map shows current CCR flag program territories and the Scouts who cover them. Click on the Scout's name who covers your neighborhood to generate an email to him, and he or his parent will get back to you with information about the program and how to register. If you are outside a designated territory, don't despair -- as more Scouts volunteer for new territories, we will update this map.

Help us fill our streets with American flags for the love of our country, to show support for the men and women who defend our freedoms, as well as in dedication to the ideals of Scouting.

Thank you!
