

## Earn Your Engineering Merit Badge Online

Scouts looking for merit badge opportunities during this time away from troop and school can visit our online resource that covers all requirements for earning the engineering merit badge. Visit the site below or scan the QR code for full instructions:

<http://safersim.nads-sc.uiowa.edu/emb/>

The future is now! Whether it is improving personal electronics, developing health care solutions, creating automated vehicles, protecting the environment or sending people to Mars, engineers are using math and science to create a better tomorrow. Earning the Engineering Merit Badge will give Scouts a better understanding of how engineers work and how to apply the engineering process to daily problems.

Upcoming online discussions are scheduled on August 25<sup>th</sup> and September 22<sup>nd</sup>.

Visit the website or contact [safersim@uiowa.edu](mailto:safersim@uiowa.edu) for more details!
