Online Sales!

Each scout has his own personal URL for 2025 Troop 1 Wreaths Fundraising Campaign. Log on to Troop 1 website as a Scout, go to "Menu -> My Scouts", click on the "Fundraisers" button and look for "Personal URL". Your customers can use this URL to order wreaths and pay for them with PayPal. You will get credit for these orders and earn money just as you do with paper orders!

Think of ways you can persuade people to use the URL to place an order:

1. Send out emails about this fundraising effort that includes this URL.
2. Create a flyer that includes this URL that you hand out when you go door to door.
3. Create a website that tells why this is a good cause, and include a link to this URL.
