

Online Selling with Trails-End

www.trails-end.com

Click red 'register' button in upper right corner if you do not have an account. If you registered last year you can use the blue 'sign in' button.

Click Scout or Parent – only scouts 13 or older can register themselves, otherwise choose 'Parent'

Complete the remaining registration pages make sure to select your correct unit. Either Pack 241 or Troop 241 and we are in Hawk Mountain Council.

Once registered you can begin to sell online. You can send emails from the site or include the custom web page link for your site in your own emails or online posts. You can also edit your web page however you'd like to make it personal for your goals. Have fun with it. Your account has a unique code associated with it – you can also provide that 'scout code' to people when ordering – it is up to you.

As long as your customers use your link or scout code AND you registered with the correct unit then all online sales will get credited to you and the pack/troop correctly.

If you notice something incorrect with your online setup, please contact me as soon as possible so we can get it rectified.

I can verify if you are correctly assigned to the Pack or Troop if you contact me via email once registered.
